

AMENDMENTS TO THE DRAWINGS:

The Drawing of Figure 1 was objected to under 37 C.F.R. § 1.83(a) because “[t]he drawings must show every feature of the invention specified in the claims.” Office Action, p. 2. Accordingly, accompanying this Amendment is a Replacement Sheet for Figures 1 and 2, which now includes a labeled representation for a swirl nozzle 2s and a multi-orifice nozzle 2m, as suggested. No New matter has been added, and the drawings are supported by the present application. Approval and entry are respectfully requested.

Attachment: One (1) Replacement Sheet.
